How to claim child-level funding (Actuals) – Adding new children

About this guide

This is a step-by-step guide for how to claim child-level funding (also known as Actuals) using the Online Provider Portal, which includes:

- Universal Early Years Funded Entitlement (EYFE) for 3 and 4 year olds
- Local Authority (LA) Issued 2 year old EYFE
- EYFE for Working Families, including for 9 months plus, 2 year olds and Extended EYFE for 3 and 4 year olds
- Early Years Pupil Premium (EYPP)
- Disability Access Fund (DAF)

Inclusion funding does not require you to claim on the portal

You should follow our [introductory guide first](#) in order to access the actuals on the Online Provider Portal and delete any children who you no longer wish to claim for. You should also [update any existing children's claims](#) before adding new children.

Adding new children to your claim

1. Use our introductory guide to navigate the headcount you wish to add the child to. Press the **Add Child** button

Note that for 2 year old EYFE claims an additional button called **Enter EY Voucher** is visible next to the **Add Child** button – this button is not in use.

2. A new child claim opens.

The data is split into four tabs, complete the **Child Details** tab first.

The **SEN COP Stage** will automatically be set to **No Special Educational Need**. If you need to amend this, set this to **SEN Support**. Please do not select any other options.

When selecting **Ethnicity** you cannot use **Unknown** – if the answer is not known you may use **Not Obtained**, or if the parent declined to provide it you may use **Refused**

3. You must complete this step if you wish to:

- claim for EYFE for Working Families (note all claims for 9 months plus children require this)
- claim for EYPP under economic criteria
- check if a 2 year old approved for EYFE for Working Families but not already approved for LA Issued EYFE is eligible (2 year olds only)

You can skip to step 4 if:

- the child in question is claiming only Universal EYFE or 2 year old LA Issued EYFE, and either;
- you do not have consent to check for EYPP under economic criteria, or;
- the child is eligible for EYPP under non-economic criteria.

Go to the **Parent / Carer** details tab

If claiming EYPP (economic criteria only) or EYFE for Working Families for this child:

- add the parent/carers details
- tick the box to say whether you are supplying an NI or a NASS number
- tick the relevant box[es] to state which funding is applicable

Read the instruction text on the page and note the following:

EYPP

- Only one parent's details are required as household income is reflected across both parents' National Insurance records at HMRC
- Parental details are only required for EYPP claims under economic criteria - EYPP claims under non-economic criteria are covered in a later step

EYFE for Working Families

- The parent/carer must be the one who applied for the eligibility check with HMRC

LA Issued EYFE (for 2 year olds claiming Working Families EYFE only)

- This check is only for children not already approved for LA Issued EYFE who have been approved for Working Families EYFE, and is to check if the child is eligible for both. If the parent has provided evidence of approval by either WSCC or another Local Authority, you do not need to check eligibility on the online provider portal.
- Only one parent's details are required as household income is reflected across both parents' National Insurance records at HMRC
- Please add an email address so we may send confirmation to the parent of approval if they are found to be eligible.
- Note this only checks against economic criteria. The child may be eligible under other criteria.

Consent

- The parent provided consent when they completed the Parent Declaration form through you
- Without consent the system will prevent you from carrying out an eligibility check

Notes

Entering Parent/Carer details enables us to check whether the child is eligible for Early Years Pupil Premium (EYPP) funding, EYFE for Working Families and Local Authority (LA) Issued EYFE (current 2 year olds only).

Please ensure you input details for all records that have given their permission to do so, as this ensures you receive the additional funding. Please also ensure that the correct consent boxes are selected as per the usage of the details.

Note: LA Issued eligibility checks are against economic criteria only. Children may be eligible under non-economic criteria. You do not need to run this check if you have seen evidence of approval by WSCC or another local authority.

4. Go to the **Funding Details** tab

Note for providers claiming stretched funding only - the portal calculates the Maximum Values Allowed for the child in a red box (bottom right). These are based on the system maximum, and are not specific to your setting or any individual child. For example, if your provider stretches EYFE for 19 weeks over Summer term, you may find the maximum weeks says 20. You should still claim only 19 weeks. If the Maximum Values Allowed do not meet your expectations, contact us.

Maximum Values Allowed:
Number of Weeks: 20
Funded Weekly Hours: 14.50
Funded Termly Hours: 225.00
Funded Yearly Hours: 570.00
Extended Weekly Hours: 14.50
Extended Termly Hours: 225.00
Extended Yearly Hours: 570.00

Start and End dates - Do not amend these dates from the Default dates displayed. If no dates are showing, press the 'Default Term Dates' button to populate them.

Weeks attended in Term - If you are claiming on a term-time only or self-stretched basis, enter the number of weeks you are claiming for, up to the standard number of weeks in a term (Autumn 14, Spring 12 and Summer 12). If claiming stretched funding you can increase these up to the number shown in the Maximum Values Allowed box.

Present during census - You must tick this box every term – it denotes that the child attended during headcount week.

Attends two days or more - Answer not required.

Nominated for DAF - If you wish to claim [Disability Access Funding \(DAF\)](#) for a child, you should select 'Yes' next to Nominated for DAF. By selecting this, you are confirming that the child is in receipt of Disability Living Allowance (DLA), and this must be recorded on the Parent Declaration form. You do not need to select “Yes” if you have received DAF within the last year.

Each time you wish to claim DAF (maximum once per year), you must submit required evidence to us via our [DAF evidence form](#). A fully completed parent declaration and evidence of current approval for Disability Living Allowance (DLA) are required.

Stretching entitlement (only visible to providers that claim stretched) – If claiming stretched funding for this child, tick the box. If claiming term-time only or self-stretched for this child, untick the box.

Attendance Days - Answer not required.

All claims are subject to the following limitations:

- Half hour increments are permitted, for example 7.5
- For term-time or self-stretched claims, the maximum total number of hours per week is 30
- If a child is eligible for both LA Issued EYFE and EYFE for Working Families, LA Issued EYFE should be used first. The maximum claim from each entitlement is 15 hours per week.
- For stretched claims, the maximum is the number shown in the **Maximum Values Allowed** box

A) 2 year old LA Issued EYFE

The Funded Hours per week section should only be used if:

- You have seen evidence of approval for 2 Year Old LA Issued EYFE by WSCC or another local authority.
- You are submitting a claim for EYFE for Working Families and have consent from the family to check if the child is also eligible for 2 Year Old LA Issued EYFE.

If you have seen evidence of approval for 2 Year Old LA Issued EYFE, you do not need to click 'Check Eligibility'. Simply enter the number of hours per week in the 'Hours' field up to a maximum of 15 hours.

8. This step relates to EYFE for Working Families claims only

The portal displays the results of the eligibility check with either a green or red coloured banner

Green banner (Eligibility code check successful)

A green banner denotes that the eligibility check was successful, and a tick appears next to **Eligible for Extended Hours** to indicate that the check is complete. Go to step 10 to continue the claim

Red banner (Eligibility code check unsuccessful)

An error message in a red banner denotes that the check was unsuccessful. There are three possible errors - follow the guidance below to attempt to resolve your particular error:

You cannot claim EYFE hours if this check is unsuccessful.

- If, after completing this step, eligibility cannot be verified, for **3 and 4 year olds**, you must enter a zero for Extended hours and claim Universal hours for the child only. If you resolve the issue with the parent before the submission deadline, re-enter the Extended hours into the claim and re-check eligibility.
 - For **2 year olds**, you will be unable to claim EYFE for Working Families, and must not enter any hours or submit a claim unless the child has been approved for 2 year old LA Issued EYFE.
 - For **9 Months Plus** you will be unable to claim EYFE for Working Families, and must not enter any hours or submit a claim.
- **Unable to perform the check**

The check was unsuccessful because at least one of the items listed in the error message is missing, or not in the correct format. Fix the mistake, then press the **Check Eligibility Code** button again.

- **Eligibility not obtained**

The portal checked this claim electronically with HMRC, but it is not a match. Check that the eligibility code, child's date of birth, and parent details are correct, noting that the parent that applied for the code must be in the Parent/Carer tab. Fix the data, then press the **Check Eligibility Code** button again.

- **Code found but does not cover the term start date**

 The Eligibility Code has been found but does not cover the standard term start date (x-x-20xx) therefore extended hours cannot be claimed this term. You may only claim for universal hours.

The code details are a match with HMRC, but the child is not eligible this term because the code start date is after the start of term. Use the portal's Eligibility Checker to obtain the eligibility start date (refer to the Eligibility Checker [help guide](#) for what to look for). If you believe the child should be eligible this term (because the parent has evidence of applying or reconfirming before the start of term) please complete a [Working Families eligibility code query form](#).

- **SGO** – you have seen evidence that the child left care under a Special Guardianship Order
- **Residency** - you have seen evidence that the child left care under a Residency Order
- **CLA (Name of local authority)** – you have been told that the child was looked after for one day or more in the current term. Specify which local authority and we will check and confirm eligibility. We attempt to identify these children early from our own records however we realise that parents may make this information known to you first.

Buttons: Add Child, Send Claim

About the **Send Claim** button:

- It only sends your claim for the funding type that you are in (e.g. 3 and 4 year olds)
- It instructs the portal to send us anything that you have added, changed or removed (children with a status of **unsubmitted**)
- It will warn you if you have children with zero hours still on your claim, and give you the opportunity to fix it before you submit
- You must press it before submissions close for us to get your claim
- Press it again if you make further changes later on
- The button becomes unavailable after you press it because there are no changes waiting to be sent to us - it will become active if you add, delete or edit a child
- The button disappears after submissions close

A green banner denotes that you have successfully submitted your claim. Children that had a status of **Unsubmitted** now have a status of **Awaiting LA Download** – when process your data the status of all your children will revert to blank
