

Free Support Groups

For Primary TAs, LSAs and other support staff

Who is this group for?

Staff who are working intensively with children who are displaying distressed behaviours resulting from trauma.

This group of children could include:

- * Children We Care For
- * Those who are now adopted
- * Those subject to a Special Guardianship Order
- * Those subject to a Child Arrangements Order
- * Children with current or previous social care involvement
- * Children living in Kinship care

How does each group run?

Each group consists of four sessions and will focus on themes including:

- * Trauma and the power of good relationships
- * Survival behaviours
- * Shame
- * Transitions
- * Looking after ourselves

Attendees will need to be able to commit to all four sessions across one term (either Autumn, Spring or Summer).

What is the aim of the group?

We recognise that working with children who have experienced trauma can have a real impact on staff. The aim of this group is to provide an opportunity for attendees to get to know others facing the same challenges in school and to share best practice in a supportive and open environment. The sessions offer both theory and practical strategies to support children in the school environment.
